

A lot of people have been asking about eScrip and how this program works. eScrip is the best vehicle for simple, year-round fundraising! Electronic Scrip Incorporated (ESI) is a California-based corporation dedicated to establishing relationships between commerce and community -- to provide resources to organizations and projects that support children. ESI introduced the eScrip program in 1999 and has distributed over \$120 million to schools and youth organizations across the country.

Here's How it Works:

- You register any one or all of your existing grocery loyalty, debit/ATM and credit cards for use in the program (You **STILL** earn your airline miles and/or any other benefits from your credit card!!).
- Participating merchants will contribute **a percentage** of your grocery loyalty cards, credit cards, and debit/ATM card purchases to the school, group or organization of your choice.
- Your purchases are tracked and available to you online, allowing you to see just how much you are earning on your child's behalf!

To Enroll Online (website is secure):

- Go to www.escrip.com
